

Secure File Sharing Made Easy

FileCloud is a hyper-secure content collaboration platform (CCP) that provides powerful file sharing, sync, and mobile access capabilities on public, private, and hybrid clouds. Anywhere-anytime access via desktop clients, web browser, and mobile applications (iOS and Android)

True “Single Pane of Glass” Dashboard for All File Management

On-Premises, Cloud, and Hybrid Cloud

FIPS 140-2 Compliant Encryption

Isolated Network Support (NIPR/SIPR/JWICS/Coalition)

High Availability (HA) Architecture and Multi-tenancy

Integrated Access Controls (Active Directory/LDAP/SSO Support)

Industry-Leading Content Governance

Zero Trust File SharingSM

Granular Access and Sharing Controls

Compliance Support (CMMC, HIPAA, ITAR, GDPR+)

Smart Data Leak Prevention (DLP)

Private, Public, and Expiring Shares

Unlimited File Versioning

Workflow Automation

Microsoft Co-Authoring and File Locking

Resumable Large File Uploads

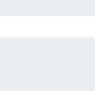

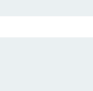

Retention Policies

Remote Access Authentication

Hyper-Security, Data Governance, & Compliance

	Data Leak Prevention (DLP)		Customization Support
	Integrations (APIs, Microsoft, etc.)		Content Indexing and Pattern Search
	Active Directory (ADFS) Support		Digital Rights Management (DRM)
	SAML Single Sign-On (SSO)		Federal Smartcard (CAC/PIV) via ADFS & SAML SSO Integration
	Data Integrity (Endpoint Backup and Sync)		Unlimited External Account Access (no license required)
	Smart Classification Custom metadata sets, automatic tagging with upload		Remote Device Management Data Wipe and Device/User Blocking
	Access Security Encryption 128-bit AES, 256-bit AES (FIPS), Key Management Services (KMS), SSL/TLS		Compliance HIPAA, CMMC, Zero Trust, FIPS 140-2, ITAR, GDPR
	Administrative Controls and Data Governance Data and user activity reports, audit logs, dashboard analytics, and custom policies		Zero Trust File SharingSM Share encrypted Zip files with password-protection and granular read-write permissions

FileCloud has received the Gartner Peer Insights Customers' Choice Distinction for the sixth consecutive time!

92% of our customers would recommend us to a friend.
