

Email a file to a channel

Each channel in AirSend has an email address.

When you initially create a channel, the email address appears in the messaging section.

Be the first to say hi!

You can also send an email to david-martinez-emma-bernard+usr-1yy8t49j@airsendmailer.com to post messages and attachments.

Add New MemberUpload a File

When you invite someone to join a channel, they receive the email address in a message.

Hello Jared Taylor,

We thought you might like to know that Kiara Singh has added you to channel **Singh Associates, Jared Taylor**.

Now, you can share files, send messages, complete tasks, and get work done in one space.

View Channel

You can also post messages to the channel by sending an email to:

singh-associates-client-template+usr-7bmqe3rm@airsendmailer.com

Meanwhile, please [contact us](#) if you have any questions and we will be happy to help.

Best,

AirSend Team.

When you or another user sends a message to the email address with a file included in it, the file appears in the messaging section and in the attachments folder of the Files tab or Files section.
