

# 20.1 Places in the User Dashboard

 The User dashboard is available in FileCloud Server version 15 and later.

The User Dashboard is where you manage all of your FileCloud files and share knowledge between colleagues and teams.

 How Do I [Access the User Dashboard?](#)

Figure 1. The User Dashboard

The screenshot displays the FileCloud User Dashboard interface. The left sidebar contains a 'Navigation Menu' with sections for 'BROWSE' (Files, Shared Files, Shortcuts, Favorites, Search, Media, Player, Misc, Settings), 'SHARING', and 'SHORTCUTS'. A callout points to the 'Navigation Menu' and another to 'All available folder roots'. The main content area is divided into 'Files' (My Files, Team Folders, Network Shares, Shared with me) and 'Shortcuts' (NewDrive, backups, boost\_1\_64\_0, uploads, S3Mount). A callout points to 'Shortcuts to various sub folder'. The 'Recent Files' section lists files like IMG\_2265.PNG, 2017\_02\_27\_10\_48\_45.docx, and FileCloud Reporting System - Copy.docx. A callout points to 'Recently accessed files'. The right sidebar shows 'Recent Activities in the system' and 'Notifications'. A callout points to 'Search all folders in "Files" section'. A red box highlights a message: 'FileCloud now available on a server near you!'. A callout points to 'Information from Admin'.
